Dear Employee:

You will find below First Concord Benefits Group's policy on reimbursement for expenses from the Flexible Spending accounts.

In order to be reimbursed from the Flexible Spending Accounts, the expenses must not be eligible for payment from any other third party (i.e. health or dental insurance). The information listed below must be provided:

- A First Concord Benefit Group claim form signed by the employee
- An insurance company Explanation of Benefits form or a bill (or copy of a bill) that contains the following information:
 - Provider's name
 - Date of service
 - Person for whom the service was performed
 - A brief description of the services performed
 - Amount charged

Most insurance company Explanation of Benefit forms contain this information. Bill you receive from your provider and prescription receipts also contain this information.

We can not accept statements where the only information provided is a "balance due" or "received on account". These statements lack several key pieces of information.

Also, please note that there will be a \$25.00 minimum check amount before a claim payment is made.

Thank you for your cooperation. If you should have any questions, please feel free to call our offices.
